

**JOB #307 – Estimating Supervisor (P.E.) – South Carolina****PRIMARY RESPONSIBILITIES:**

The estimating supervisor manages a team of 6 structural engineer estimators. The company designs metal building systems. This individual will also deal with sales managers, vendors, etc.

QUALIFICATIONS:

Formal education required is a Bachelor of Science in Civil Engineering from an ABET accredited institution with a focus in structural engineering. Certification as a professional engineer (P.E.) is required. School or work experience with structural steel design, and working knowledge with AISC and AISI is preferred. Industry experience is preferred. Direct work experience within the pre-engineered building industry is a benefit. Effective verbal and written skills with the English language are required. Proficient use of hand held scientific calculators, computer terminal keyboard (and mouse), and document reproduction machines are necessary. Also, work includes manual numeric calculations and hand drawing of sketches to represent building design components. Ability to travel to construction sites is needed on an infrequent basis. The typical work environment also includes spending some time in the production area for answering design questions and job training. Normal work does not require lifting more than 30 lb.

The benefits package includes the following:

- Profit sharing plan
- Return on Assets bonus plan
- Health/Life/Disability insurance
- 401k w/ company contribution (up to 25% match)
- Employee stock purchase plan
- Healthcare spending account
- Scholarship program

Please review this opportunity. If you meet these requirements and would like to be considered, please forward the following information to the individual below:

- your most current resume in **Microsoft Word format** (no PDF files please),
- your availability,
- your resident work status (U.S. Citizen, Green Card Holder, etc.),
- your current salary, and
- your salary expectations

We will get back with you immediately and, if you meet the requirements, we will begin the job placement process for this position.

Please know that your resume will never be submitted to any position without your approval/consent.
